

Family of Don McClanahan - He passed away at his home on Saturday, November 28. Steve McClanahan's Dad

Ben Smith - Got good news from the CATscan on his chest and the MRI of his brain. They both looked good and he is on track with treatment. There were a few cancer cells but they are not growing. Ben thanks you so much for the prayers.

Family of Penny Jackson - She passed away this week. Please pray for my Uncle Carrol and the rest of the family. Mike Flynn/Aunt

Diane Lambert - She was unable to have the CATscan done this week because the EKG results were not good. She will meet with a cardiologist next week to determine the next step. She is feeling fine, just short of breath.

Jim Shoemaker - Has a tear in his rotator cuff on his left shoulder and will be having surgery on his back in the L4, L5 area. He also has bone spurs on his neck and spine with deteriorating bones in his spine as well. The bone spurs are not fixable and could get worse. All of this is causing considerable pain and is interfering with his job. Please pray for the best treatment/surgery for Jim.

Please pray for our teachers, students, parents and school administrators as they transition once again to virtual learning.

Please pray for all who have Covid-19, and all health care professionals taking care of them. Please pray for our elderly in nursing homes that still cannot see family because of Covid-19.

Please pray that God will heal our land and that the hearts of the people in this great country will turn to God.
