

Prayer Concerns

Please keep the following in your prayers & continue to pray for our military, government leaders and our country.

Heather - Has been in ICU with a kidney stone that caused a blockage. She is septic and the infection killed one of her kidneys. Also just found out that her mother has died from cancer. Please pray for healing and comfort.
Kaylynn James/Dad's friend & co-worker

Kayla Gerdowski - Not much improvement with her sprained ankle. Doctors now think there may be nerve damage which they hope to treat with medication.

Kenna Knight - Surgeons said the damage to her shoulder was more than they had been expecting so recuperation will be a longer process.

Chris Leffler - Multiple health issues and is only 49 years old. Is in hospice care, asking for his internal defibrillator to be turned off and to enter inpatient Hospice. At Bethesda North. Laurie Johnson

John Tyler Ross - Pathology showed his tumor to be an aggressive cancer. He will begin radiation and chemo next week. Please ask for God's complete healing. Kaitlyn Stahl/Cousin

Abe Hamilton - Had a brain tumor removed last Thursday
