

Prayer Concerns

Please keep the following in your prayers & continue to pray for our military, government leaders and our country.

Pete Hargett - Went to the hospital Thursday night with considerable pain. Had gallbladder and hernia surgery on Friday. Julie Kirsch/Dad

Brenda Brown - Went to the ER from rehab this past week due to shortness of breath, but after several tests doctors were unable to determine the reason. Please pray the doctors will be able to successfully treat her shortness of breath and that she will continue to heal from her shoulder surgery.

Bryan Arias - Diagnosed with classic Hodgkin's Lymphoma cancer. Started chemo this past week. We have very high faith. Thank you for your prayers. God is great. Glenda Arias/mother

Ron Turley - Had his pacemaker/defibrillator replaced this week. Also taking medication to control Congestive Heart.

Brian Crouch - Had a knife slip off a bone at work (Wyatt's) this past week and the knife went into his abdomen. Had stitches and was sent home.
