## **News from the GCCC Board**

- **We have a survey of the property scheduled. The engineering group is putting us on their calendar.**
- **Once the survey is done, one of the first things we want to do is to lay out a walking trail around the grounds. Tim has a preliminary design for a 1-mile track. Once he walks it, it may get shorter!**
- **Looks like we are getting a fire pit. (Thanks, Gary!) Get your s'mores ready!**
- **The Hospitality amenities are being upgraded again! We will be getting a new freezer soon.**
- **We are scheduling meetings with different churches in the area who have recently done building projects. We want to get info on the contractors that they worked with. We will also discuss what things they are pleased with and what they wish they had done differently.**

**If you have questions, please reach out to one of your board members and we will be happy to discuss this with you.**
