

Prayer Concerns

Please keep the following in your prayers & continue to pray for the military, government leaders, and our country.

Jasmine Medoff - Jewish woman who has lost friends in the Israel attack, with some taken hostage. Her 73 yr. old father, Gary Behrend, is leaving the US next week to report to an IDF base to defend Israel anyway he can. Her babysitter is now serving on the front lines of Gaza. Her children go to a Hebrew school in North Carolina which is now guarded by multiple rifle-armed guards. She is dealing with a lot & is asking for prayers for her family & Jewish community, especially her father. Amber Burgemier/friend & work colleague

Annie Redden - Has had a double ear infection for 5 wks. & both of her ear drums have burst. Haven't found an antibiotic that has worked yet. She went to the ER on Friday & they gave her 3 new antibiotics. They will also be doing some procedures Saturday morning, which will hopefully get her straightened out.
