Thank
you 

To all of you who have participated in the College Ministry Program this season, we appreciate you so much! Whether your college student reached back out, or not, you did make a loving impact in their life.

As the school year is coming to a close, we will be finishing the program for the season. Feel free to send one last note of encouragement.

We will start this program back up in the fall, when we receive fresh contact information.

Thanks so much!

Angie
