

Prayer Concerns

Please keep the following in your prayers & continue to pray for the military, government leaders, and our country.

Linda Longworth - Had a PET scan this week & the results were very good! Thank you, Lord!

Connie Rice - Went to ER Monday night for pain in left arm. Blood tests showed elevated enzymes, so she had an angiogram. She had 2 stents as a result of the angiogram findings. Thank you for your prayers. Wayne Rice/wife

Brian Burgemeir - Failed his stress test which could indicate a blockage. He will be having an angiogram on Oct. 24th. If there is a blockage, he will need a stent or heart surgery.

Tony James - Will have surgery around the 2nd week of November to remove cancer behind lower lid & reconstructive surgery the next day. Please pray that these surgeries will take care of all the cancer.

Gary Greenwell - Having surgery to remove a portion of his lung for cancer. Barry Hisel/cousin

Jordan Pensinger - He is now a United States Marine! Thanks for your prayers. Tori Brown/boyfriend
