

Prayer Concerns

Please keep the following in your prayers & continue to pray for the military, government leaders, and our country.

Mike Flynn - The biopsy results for the lump behind his ear showed the lump is benign. Thank you, Lord!

Linda Longworth - Had confirmation that the PET scan results she got last were very good! Thank you, Lord, again!

Brian Burgemeir - The results from his angiogram were very good. Only one small blockage & that can be taken care of with a med change. Another prayer of praise!

Randy Rose - His surgery for the nose bleeds didn't work so he will be consulting with the doctors for next steps.

Tony James - Has an appointment for 11/14 to consult about his upcoming eye surgery. Please continue to pray that the doctors decide on the best treatment possible to completely heal this cancer. Also please pray for strength & peace for Tony & all of the family as they go through this.
