Reset Ministries

Hello GCCC!

As you may know, I recently went on staff at Reset Ministries. The ministry works with those in addiction by supporting them in living a sober life, but more by becoming disciples of Jesus.

Every Monday and Thursday evening our residents have time in community with each other. We need help supplying meals for those nights. Due to time constraints of the residents and convenience for those providing the meals, we encourage simple meals such as casseroles, tacos, spaghetti, etc.

If you have any groups who would be interested in serving in this way, please contact me. We still have needs this rotation, and I am preparing to send sign-up options out in the next couple of weeks.

Thank you! We hope you can serve alongside
