Our Baby Bottle Boomerang to support
New Hope Center in Falmouth ends
TODAY!!

Preschool plans are rolling along! Want to help?

- Do you like to build? We need help putting items together! Furniture, cabinets, and playthings all need to be put together this month (we plan to do some open houses hopefully at the end of June/early July). We will bring items to church, you can take them home with you and put them together, then you will bring them back to church when you finish. You can request smaller items if hauling them is an issue, or we can arrange to have them picked up if needed. Meet with Edwin **TODAY** after church by the piano if you can assist with this.
- We are looking for some gently used items that your kids may have outgrown. If you have any of the following and would be willing to donate, see Janet:
 - Wooden puzzles
 - Wooden blocks
 - Legos
 - Cars/Trucks/Vehicles without sound or remote controls
 - Larger plastic animals/dinosaurs
 - Magnetic building tiles, waffle blocks or any other type of building items
- Monetary donations are also welcome! We have **a lot** of materials to purchase, and every little bit helps. You can put your donation in with your offering - just make sure to mark **FOR PRESCHOOL** so we know your intention.
- Most importantly, please pray:
 - That this endeavor glorifies God in the way He intends.
 - For our students.
 - For the adults who will be working with our students.

Thanks for your help and support!
