Thank you so much to those of you who placed preschool signs in your yard! They were very helpful in getting the word out about preschool.

If yours is still in good condition, you can return it to church and we will use it again next year (or if you are willing to place signs in your yard again next year and have a safe place to keep them, feel free to store them for us!).

Thanks again!

Donations to Building Fund

Some have been asking if it is possible to start giving toward the new building project as we continue to make plans toward serving our community in the future. It is definitely possible. We already have a building fund set apart from our general fund. Any monies placed there would be used for any future project which will be decided upon by our congregation in the near future.

However, we encourage that the money you may designate for the building fund be above and beyond your giving to the regular church offering. It would do no good to have the offering be diminished to fund a future project. Also please note that our missions donations come from taking 20% of our regular offering. Any money in the building fund is not subject to this deduction.

So, if you would like to give to the building fund, simply note "building fund" on the memo area of your check. You can then place it along with your offering in one of our offering boxes. For those who use Tithe.ly for your weekly giving a category has been added entitled "Building Fund" as well. If you have any questions about this please speak to one of your elders. Thank you for your generosity and understanding.

College Student Addresses

If you have a college student or know of one who needs support throughout the school year please send their address to Aimee or Mike. The Ladie's Sunday School class sends out cards to them throughout the year and will need that information. Thanks!
