## Not Getting Church Phone Messages?

**Read This**

Several landline phone #'s are not getting phone messages from our new messaging system. (Dial My Calls)  
The most likely reason for this is that your phone carrier sees the phone number from the church as spam and is blocking the call.

Please call your carrier (customer service) and ask them to unblock our church phone # (859-472-2241). This should fix the problem. Thanks.
